

# A NIGHT TO BEAT THE ODDS

BENEFITING TEAM ALEXIS DC CHAPTER

## Casino Night

February 8, 2020 · Hyatt Regency, Tysons Corner, VA

On February 8, 2020, Team Alexis, the Washington, DC Chapter of The Cure Starts Now, will hold its sixth annual "A Night to Beat the Odds" in Northern Virginia. The benefit will include casino-style gaming tables, food, music, and a silent auction featuring products and gift certificates, as well as trips and other leisure packages. The proceeds will benefit The Cure Starts Now ("CSN"), a 501(c)(3) non-profit organization dedicated to funding pediatric brain cancer research.

CSN was founded in 2007 with a mission to find the "homerun" cure for cancer through funding research for one of the most difficult cancers - pediatric brain cancer. To date, CSN has raised more than \$12.5 million to fund new experimental treatments and research at the top pediatric oncology hospitals, including Children's National Medical Center in DC. CSN has been recognized by The Today Show, Good Morning America, CNN, and media worldwide for the inspiration to all who fight cancer.

Team Alexis, the DC Chapter of CSN, was formed in 2009 in honor of my daughter Alexis, who passed away in 2011 at the age of four from DIPG, an inoperable and almost universally fatal form of pediatric brain cancer. To date, Team Alexis has helped contribute more than \$500,000 to research funding through events such as A Night to Beat the Odds Casino Night.

Donors enjoy wonderful visibility within Northern Virginia and beyond, demonstrating their charitable commitment to hundreds of attendees and volunteers. Auction donors also will receive recognition in our event program and in the item's physical display, on our event website, and in an email blast to participants. Finally, auction donors may provide marketing materials or brochures that will be displayed during the event for participants to review and/or take home.

Attached is the auction donation form for you to take advantage of this opportunity. Please visit [donate2csn.org/washingtondc](https://donate2csn.org/washingtondc) to learn more about us. Thank you for your consideration!
